EXPLANATIONS

Increase 1 st/M1:

Pick up the thread between 2 st with the left needle from the right side, make a K or a P through the back loop, whatever fits best into the Irish moss pattern.

Edge st (edge st) :

First and last st are made as K on all rows/rounds

Decrease 1 st (dec 1) :

At the beginning of a row: Knit 2 st together through the back loops.

At the end of a row: Knit 2 st together.

Decrease 2 st (dec 2) :

At the beginning of a row: Knit 3 st together through the back loops.

At the end of a row: Knit 3 st together.

Slip 1 st:

Slip the next st to the right needle as if to purl.

Double moss/seed st/Irish moss (Dbl moss) :

Row 1: *K1, P1 *, repeat *-*.
Row 2: K over K and P over P.
Row 3: *P1, K1 *, repeat *-*.
Row 4: K over K and P over P.
Repeat rows 1-4.

Fisherman's Rib (F-rib) - edge on front and hood:

Row 1 (WS) :

K1, YO, slip 1 as if to purl
repeat *-* and end with K1.
(Because of the YO, you will end up with more st than when starting this row)

Row 2 (RS) :

YO, slip 1 as if to purl, K1, YO
repeat *-* and end with YO, slip 1 as if to purl.

Row 3 (WS) :

Knit next st and YO together, YO, slip 1 as if to purl
repeat *-*
end row with knit next st and together.

Repeat rows 2 and 3.

Short rows:

A short row is made of 2 rows made back and forth only with the st of the front edge F-rib. Knit the F-rib st (as explained above) + 1 edge st, turn and knit back along the F-rib st + edge st.

BACK

With 3.5 mm needles cast on 131 (143) 153 (165) 175 (185) st
Knit rib *K1, P1* for 5 cm, inside 1 edge st on each side (first row = WS) .
Decrease evenly across the last row on the WS 14 (16) 16 (18) 18 (20) st.
= 117 (127) 137 (147) 157 (165) st on your needle.

On the next row from the RS, knit Dbl moss as explained above, inside 1 edge st on each side, for the rest of your work.
When your work measures approx. 10 cm dec 1 st on each side, inside the edge st.
Repeat dec 1, inside the edge st, with 19 rows between each dec 6 (6) 3 (3) 3 (3) times more.

Then dec 1, with 17 rows between each dec 0 (0) 4 (4) 4 (4) times.
= 103 (113) 121 (131) 141 (149) st on your needle.

When your work measures approx. 59 (60) 61 (61) 61 (61) cm bind off 6 (6) 6 (7) 7 (8) st on each side, to shape armholes.
On the next row from the RS begin the slant for the raglan seam.
Dec 1 on each side inside the edge st 5 (3) 0 (0) 0 (0) times with 3 rows between each decrease.
Dec 1 on each side inside the edge st 18 (24) 29 (26) 21 (18) times with 1 row between each decrease.
Dec 2 on each side inside the edge st 2 (2) 3 (6) 11 (14) times with 1 row between each decrease.
= 37 (39) 39 (41) 41 (41) st left for the neck. Bind off from the RS.

LEFT FRONT

Edge st:

At the beginning of a row: P1

At the end of a row: K1 in the back loop of the st.

With 3.5 mm needles cast on 63 (67) 75 (79) 83 (89) st.

Knit a rib *K1, P1* inside 1 edge st on the left side and inside 10 st at the front edge (front edge = edge st + 9 st of F-rib) .
First row = WS.

This means you start with 1 edge st, then F-rib over 9 st as explained above, then rib *K1, P1* + edge st.
Knit a rib for 5 cm.

NOTE!

Front edge (= 9 st F-rib + edge st) knit like this:

Knit 1 row.

1 short row as explained above, then 2 rows knitting all st on the row as usual

Repeat *-*.

The short rows are made because the edge F-rib has more height per row than the ordinary rib and the Irish moss pattern have.

Decrease 5 (5) 7 (7) 6 (8) st evenly on the last row.

= 58 (62) 68 (72) 77 (81) st on your needle.

Now knit Dbl moss as explained above, for the rest of the work, inside the edge st on the left side and the front edge F-rib.

NOTE!

When doing the Dbl moss you make short rows with 4 rows between each short row all the way (i.e. make 1 short row, then 4 rows with knitting all st on the row). Make decreases the same way as on the BACK.

NOTE!

When your work measures approx. 18 (20) 22 (24) 25 (26) cm you knit a rib, *K1, P1*, over the centre 31 st of the Dbl moss for the edge of the pocket.

Knit this rib for approx. 2.5 cm. The last row should be made from the WS.

On the next row (from the RS) bind off the rib st and knit the rest of the row to the end.

Put your work aside – DO NOT bind off.

Pocket:

With 3.5 mm needles cast on 33 st and knit in stockinette st for approx. 15 cm, inside 1 edge st on each side. On a row from the RS, bind off the first and the last st (i.e. the edge st).

From the WS of the front piece you put aside earlier, knit from the front edge until you get to where you made the rib st bind off, add and knit the pocket st and then knit the rest of the st of the front piece, i.e. you have added the inside of the pocket to the front piece.

Continue knitting Dbl moss as before.

Decrease for armholes and make raglan decreases as you made them on the BACK but skip the last 3 dec you made on the back.

At the same time as you do the 18 (22) 25 (25) 25 (25)th raglan decrease, you decrease for the neckline like this:

Put the first 18 (18) 20 (20) 20 (20) st on a thread.

Then at the beginning of every second row (i.e. towards the neckline) bind off 3-3-2-2 (3-3-2-2) 4-3-2-2 (4-3-2-2) 4-3-2-2 (4-3-2-2) st (i.e. for the smallest size you bind off 3 st the first time, 3 st the second time, 2 st the third time and 2 st the last bind off)

When all st are decreased for raglan and neckline there should be 2 st left. Bind off all remaining st.

RIGHT FRONT

Knit as LEFT FRONT but in the opposite orientation (mirrored).

RIGHT ARM

With 3.5 mm needles cast on 60 (60) 60 (62) 62 (64) st and knit a rib, *K1, P1*, for 5 cm, inside edge st on each side (1st row = WS) .

On the last row decrease 5 st evenly (same for all sizes).

= 55 (55) 55 (57) 57 (59) st on your needle.

On the next row (from the RS) knit Dbl moss as explained above, inside 1 edge st on each side.

When your work measures approx. 6 cm, inc 1 st on each side inside edge st. Repeat inc with 7 rows between the inc, a total of 10 (13) 8 (5) 0 (4) times.

Then inc in the same way but with 5 rows between the inc, a total of 3 (2) 9 (14) 21 (17) time.

= 81 (85) 89 (95) 99 (101) st on your needle.

NOTE!

All new st are knit as Dbl moss.

When your work measures approx. 44 (45) 46 (47) 48 (49) cm bind off 6 (6) 6 (7) 7 (8) st on each side for armholes.

On the next row from the RS begin the slant for the raglan like this:

Dec 1 inside edge st 3 (4) 3 (0) 0 (0) times, with 3 rows between each dec.

Then dec 1 21 (21) 24 (29) 28 (28) times, with 1 row between each dec.

Dec 2 inside edge st 0 (0) 0 (0) 1 (1) times, with 1 row between each dec.

Now there are 21 (23) 23 (23) 25 (25) st for the neckline curve.

Knit like this:

Row 1 (RS) : Bind off 5 (5) 5 (5) 6 (6) st at the beginning of the row and make a dec 2 at the end of the row.

Rows 2, 4 and 6 (WS) : Knit in Dbl moss pattern without any bind offs or inc.

Row 3: Bind off 4 (5) 5 (5) 6 (6) st at the beginning of the row and make a dec 2 at the end of the row.

Row 5: Bind off 4 (5) 5 (5) 5 (5) st at the beginning of the row and make a dec 2 at the end of the row.

= 2 st on your needle.

Bind off.

LEFT ARM

Knit in the same way as the right arm but in the opposite orientation (mirrored). The curving of the neckline starts one row earlier, from the WS.

BLOCKING & ASSEMBLING

Pin the cardigan parts between damp cloths, to given measurements, and let them dry.

Sew all raglan seams together. Use the edge st as seam allowance.

Sew the POCKETS on to the inside of the FRONT pieces.

HOOD:

With 3,5 needles (straight single point needles OR circular needle) , from the RS, pick up 115 (119) 119 (123) 123 (123) st around the neckline, including the front edge st placed on threads on each side.

The number of st should be an uneven number.

The front edge st in F-rib continues throughout the whole work, also along the front edge of the hood.

NOTE!

Make 1 short row and repeat with 8 rows between each short row, all the way around the hood.

Knit 2 rows with garter st (all st K) and inc 14 st evenly on the second of these two rows, but do NOT inc any st within the F-rib st at the front. Starting with the next row from the WS, knit Dbl moss as explained, inside the F-rib on both sides (front edge) and knit Dbl moss like this for the rest of the work.

Put a marker in the centre st (mid back)!

When your work measures approx. 3 cm, inc 1 st on each side of the marker.

Repeat the inc with approx. 3 cm between the inc, 7 times more.

= 145 (149) 149 (153) 153 (153) st on your needle.

When the hood measures aprox. 35 (36) 37 (37) 37 (38) cm along the centre back, bind off the centre st (the one with a marker in it) and finish each side separately.

Left side:

Continue knitting as before.

Shape by binding off st at beg of row from RS, 3 times every other row, as follows:

24-24-24 (25-25-24) 25-25-24 (26-25-25) 26-25-25 (26-25-25) st.

(= for the smallest size bind of 24 st, next time 24 st and last time also 24 st)

Right side:

Knit as the LEFT SIDE but mirrored.

When sewing, use the edge st as seam allowance:

Sew the hood together at the top.

Sew the sides together and then the arms.

Sew in a sewing hook and eye closure at the top of the front edges.

Tips & Shortcuts

To avoid questions: Before you begin knitting, read through the pattern.

Stitch count: Always knit or crochet a gauge swatch as recommended in the pattern. If your stitch count doesn't match the gauge given in the pattern, try again with larger or smaller needles or hook. If your gauge doesn't match that in the pattern, your item will not be the correct size or shape.

Highlight the size you will knit or crochet throughout the pattern to make it easier to follow the instructions.

Charts: It will be easier to follow a chart if you mark your row with a ruler and magnetic board or sticky note.

Ease: The amount of ease included in our garments varies depending on the type and shape of the garment. To determine the right size, we recommend that you first measure your body. Then you can calculate the garment size depending on how much ease you want the garment to have. The schematics for each piece show all the garment measurements.

Two-color stranded knitting: When knitting more than 3-4 stitches of the same color, twist the color strands around each other on the wrong side to avoid long strands or "floats" on the back. If the yarns need to be twisted on several rows/rounds, make sure you do not stack the twists in the same place to prevent the yarns from showing through on the right side.

Yarn alternative: Please be aware that the gauge (tension), yarn quantity and the shape of the work varies if you use another yarn (even in the same yarn group).

Tips för hand dyed yarn: Make sure you have enough yarn to complete your project. The colors may vary from time to time. To get a smooth color mix, you can alternate between two skeins: knit two rows from one and two rows from another skein.
